What is a Flex Loop Route?

A Flex Route, also known as a deviated route, is like a fixed route as it keeps to a regular hourly schedule, but vehicles can deviate from the route to pick up or drop off passengers from other locations along the way, when prearranged through dispatch. Once a passenger is picked up from the “FLEXED” location the vehicle will return to its regular route and continue on from the place it left or deviated from the route. Flexes are arranged time permitting and may not be available if the route is behind schedule. A vehicle can FLEX up to two blocks away from its route.

Transit is Closed on these Holidays:

Easter Sunday	Day after Thanksgiving
Memorial Day	Christmas Eve
Independence Day	Christmas Day
Labor Day	New Year's Eve
Thanksgiving Day	New Year's Day

TRANSIT TIPS

1. For the comfort of everyone, tobacco use, eating and drinking are not allowed on the bus.
2. For safety, please remain seated until the bus comes to a complete stop.
3. If you decide not to ride, please call to cancel before the bus arrives or you will be charged a No Show fee equal to your fare.
4. Because we are a shared ride service, the bus may make several stops along the way, so plan on a slightly longer travel time.
5. There is a two shopping bag limit on the bus per passenger. Transit provides two bags to new riders; additional bags may be purchased for \$2.00 each. Granny carts allowed.
6. Please be ready to board when the bus arrives. Scheduled buses can wait up to three (3) minutes. Flex route buses do not wait for riders and must follow route departure schedules.
7. During periods of heavy snowfall, buses may not be able to travel to all locations and will travel only cleared roads, sometimes staying only in town.
8. Please try to plan your social, shopping and doctor trips in advance.
